

4th International Orchid show Orchilim 2015

Now, for the 4th time the magnificent Alden Biesen at Bilzen in Belgium will be the decor for the big International Orchid Show Orchilim 2015. More than 40 National and International Exhibitors will show their most beautiful Orchids in the 4 biggest showrooms of Alden Biesen. Orchilim 2015 is a triennial event what is each time visited by thousands of visitors. Without any doubt Orchilim 2015 is one of the biggest and most beautiful Orchid Shows in Europe.

Orchid producers will show their last creation of living room Orchids. Specialist Orchid breeders will bring in their most beautiful specimen plants, specially grown to impress the members of the Jury in the Contest for the most beautiful orchid.

Orchid fanciers and members of 12 Orchid Society's own the largest variety of Orchids. Some of them own those plants for more than 40 years and different plants of them are, due to loss of habitat, extinct in nature. Botanical gardens show on their displays only few time ago discovered plants. In total visitors can see many thousands of Orchids.

Fifteen Orchids Sellers from around the world will present you almost every desired orchid.

Because the Belgium Orchids will start to flower every visitor will become as a present a booklet with photos and description of all the Belgian Orchids.

Orchilim 2015 is also accessible for wheelchair users.
